November, 2014

A Message from the CEO By: Doug Bergman

We have celebrated another great year at UCP. The Gala is UCP's opportunity to say thank you to the Team Members who work so diligently all year long to contribute to the continued success of UCP. My congratulations, once again, to those award recipients from the Gala; especially our Safety Team Member of the Year, Nicole Schadwald! Each team member recognized should be especially proud to be singled out amongst your peers, as you are among a great group of team members; choosing just one is never an easy task.

I hope all of you who attended enjoyed your evening, got a great photo as a keepsake and prizes to boot; enjoy your big screen TV Emilia! Just remember that great big \$500 check throughout the year; that could be you next year! Keep the Safety Pledge your focus; it's easy to remember.....Safety!!

CONGRATULATIONS!

UCP of Sacramento and Northern California is the leading provider of comprehensive services to children and adults with all developmental disabilities and their families. UCP works with 3,300 people a month in our eight-county area, empowering children and adults who – without support – would be isolated from community.

Mazda dealers in the greater Sacramento area are "Driving for Good". For every new car sold or leased Mazda will donate \$150 to UCP if the customer selects UCP as their charity of choice. This initiative starts the last week of November through to the start of the New Year. Another example of the community supporting UCP.

Is this an example of what goes around comes around? We purchased our administration building from Warren G. Bender insurance company over 4 years ago and about that same time we asked Bret Glover of Westlake, Glover and Grahl to be our investment advisor for The Foundation for UCP. On October 17th those two companies held their

First Fall Golf Classic benefiting UCP and another charity. Each charity will receive about \$12,500.

When you donate a car, truck, motorcycle, SUV, RV, or boat, proceeds benefits UCP of Sacramento and Northern California and our mission to empower individuals with disabilities and their families to lead a life without limits! We accept all vehicle donations whether they are running or not. Get started by calling 1-800-240-0160.

What's New at UCP's Shuttle Department?

UCP's Shuttle department is a unique kind of transportation service that UCP provides for folks that are unable to walk to a bus stop to ride public transportation. Shuttle is helping to provide freedom to individuals with disabilities, the elderly, seniors, veterans and many others. We provide a Safe, Friendly and Reliable Service that allows our clients to experience life without limits. In one year alone our Shuttle Department has driven 50,000 miles, enough to drive around the earth 2 times. When compared to all of Paratransit drivers, UCP's Shuttle drivers are in the top 10 percent in on-time performance.

In 2011 UCP operated just 12 Shuttle routes each day. Today they are operating 25 routes per day. Last year alone, Shuttle helped transport more than 30,000 passengers.

Here are just a few things people have said about UCP Drivers!

- *"My driver was very courteous, kind, and provided me with outstanding service."*
- *"This driver was wonderful, helpful and Kind"*
- *"My UCP driver has excellent customer service skills, made sure all her passengers were comfortable and assisted them well!"*
- *"This driver was professional, personable, patient, kind, helpful and made Paratransit look very good."*
- *"The driver who took me to church was wonderful, he was a GENTLEMAN in capital letters."*
- *"My driver kept professional and courteous no matter what came his way. He did such a wonderful job, and I had a wonderful experience."*

"Together we make a Difference!"
