

A yellow and orange flag is positioned on the left side of the image, attached to a thin yellow pole. The flag is partially obscured by a large, stylized white cloud that extends across the top of the image. The background is a bright blue sky with several other stylized white clouds. Below the sky, there are rolling green hills. In the foreground, a golf green is visible, with a yellow and white flagstick in a hole on the left. A small, light-colored sand trap is located on the left side of the green.

**4TH ANNUAL
